GORDON

MAR FOR SUPERVISOR

A PROVEN LEADER FOR THE SUNSET

For decades, Gordon Mar has won landmark victories for good jobs, education, healthcare, and housing in San Francisco. He's the co-founder and Executive Director of Jobs with Justice, a coalition of over 30 unions, community, and faith-based groups. He's lived in the Sunset for 13 years with his wife, Cecilia, and his daughter, Lian.

“Gordon Mar's depth of experience and extensive knowledge working on the issues most important to District 4 voters make him **the clear choice for District 4 Supervisor.**”

— San Francisco Women's Political Committee

Gordon is the only candidate endorsed by the San Francisco Democratic Party, the Sierra Club, the San Francisco Labor Council, nurses, teachers, law enforcement officers, and Assemblymember Phil Ting.

GORDON GETS THINGS DONE

COMMITTED TO OUR COMMUNITIES

Gordon has a strong track record of bringing people together and building coalitions to get big things done. He has championed innovative policies and worked with the Board of Supervisors, City departments, and neighborhood leaders to implement them.

GORDON'S RECORD

Gordon was a key leader in campaigns that:

- **Saved City College** from closure and made it tuition-free
- **Expanded homecare services** for seniors, including the Support At Home program
- **Raised San Francisco's minimum wage** — twice, in both 2003 and 2014
- **Created the Retail Workers Bill of Rights** to promote full-time jobs and predictable schedules
- **Rebuilt St. Luke's Hospital** to preserve vital healthcare services for our communities
- **Created good jobs** for San Franciscans by ensuring large companies hire locally
- **Increased school funding** and pay for teachers and school workers

Gordon also co-founded the Bay Area Environmental Health Collaborative, served on the SF Commission on the Environment, and empowered immigrant communities as the Executive Director of the Chinese Progressive Association and the Northern California Citizenship Project.

GORDON'S PRIORITIES

- **Create affordable housing** by building family and workforce housing on public lands, establishing incentives for in-law units, and requiring more housing that's affordable for low and middle-income people in all major new development.
- **Expand neighborhood services**, including bringing City College to the Sunset.
- **Address homelessness** with more mobile outreach, transitional shelter beds, supportive housing, and mental health and substance abuse services.
- **Move transit forward** by expanding Muni connections and light rail capacity, and including the community in decision-making about routes and schedules.
- **Make the Sunset safer** by focusing on community policing, expanding foot patrols and bilingual officers, improving pedestrian safety and ending property crimes.
